Parents will need to complete an appeal form and return it to the school by 29th March 2019. This form is located on the KCC Admissions site. Following this date the Appeals' Administrator will provide appellants with a time and date for their appeal at least 10 days before the appeal is to be heard. Parents will have time between submitting the appeal form and their appeal date to compile evidence. The Appeals Administrator will provide clear guidance on the requirements for collecting evidence for an appeal, the procedures followed during the appeal and the names and roles of the panel members. The School cannot guarantee that evidence presented will be returned, so it is advisable to submit copies of children's work and achievements. All evidence should be sent to the school no later than 5 working days prior to the appeal date.

The appeals panel will make a decision whether to direct the school to offer your son a place and will write to you following the final appeal date to inform you of their decision.
