

## Year 13 A Level Results 2023

This year saw a return to 2019 grading levels nationally with exam boards ensuring the grade profiles were brought down fully from the “halfway house” in 2022. We are very proud of the diverse group of students we had with us for the past two years who entered our Sixth Form without having sat GCSEs. The overwhelming majority of students have gone onto their first choice of university.
